Smile Dental Clinics

Correcting Smiles Since 2000

Welcome to Smile Dental Clinics

For over two decades, **Smile Dental Clinics** has been a trusted leader in gentle, affordable, and high-quality oral healthcare across the Phoenix Metropolitan Area. Led by Dr. Eddie Harsini, DDS, our practice combines advanced dental technology with a warm, compassionate approach to deliver exceptional care to every patient.

Whether you are looking for routine preventative care, cosmetic transformations, or complex restorative procedures, Smile Dental Clinics is dedicated to keeping your smile healthy and bright.

About Our Practice & Growth

Established: 2000

Leadership: Eddie Harsini, DDS

Community Impact: Over **45,000 patients** served Valley-wide

Recognition: Awarded *Best of Business Rate 2025*

Service Areas: Phoenix, Goodyear, Alhambra, Peoria, Tolleson, and Glendale, AZ

Built on decades of clinical excellence, modern infrastructure, and continuous professional training, Smile Dental Clinics offers patients high-end dental procedures at a reasonable cost.

Our Culture & Patient Experience

At Smile Dental Clinics, we believe that visiting the dentist should be a positive, stress-free experience. Our team prioritizes:

- **Patient-Centered Care:** We specialize in addressing dental fear and anxiety through gentle techniques and sedation options.
- **Warm & Welcoming Atmosphere:** From our front desk staff to our experienced dentists, our team is known for being friendly, approachable, and caring.
- **Accessibility & Convenience:** We offer online payments, flexible financing options, video patient education, and emergency dental services.

> *"Amazing Experience! Not only was the staff nice, warm and welcoming with smiles, but the doctors are so gentle, knowledgeable and caring. I recommend this great place anytime."*

> **— Behnoosh, Happy Patient**

Comprehensive Dental Treatments

We offer a full spectrum of dental care under one roof using state-of-the-art technology:

General & Preventative Care

Exams, X-rays, cleanings, fillings, sealants, root canals, and tooth extractions.

Cosmetic Dentistry

Invisalign®, teeth whitening, and custom veneers.

Restorative & Advanced Care

Dental crowns, bridges, partial/full dentures, dental implants, and All-on-4 / All-on-X procedures.

Specialized Care

Emergency dental services, sedation dentistry, and treatments for teeth grinding.
